

both mental and physical handicaps are entitled to equal rights, equal access, and equal opportunity.

The FDR Memorial serves as a reference point for those of us who are traveling down the road of progress. FDR renounced fear as it is "nameless, unreasoning, unjustified terror which paralyzes needed efforts to convert retreat into advance." President Roosevelt's continued renunciation of fear, refusal to crumble, and ability to act decisively and fearlessly in spite of the pressures of the Great Depression and World War II allowed him to develop into one of the finest role models for the people of the United States.

A permanent statue of FDR as a citizen with a disability will forever inspire all citizens to forge through our fears and most difficult times. To me it is ironic, yet only fitting, that during the Great Depression, a time when our Nation was in fact disabled, a man living with a handicap, stepped beyond his limitations to lead our Nation like no other. Our 32d President not only lived with a handicap, but did so while being one of the great leaders of our country. FDR is symbolic of perseverance, and his Presidency is testimony that mental and physical handicaps are not impediments to success.

In the end, a permanent statue which portrays Franklin Delano Roosevelt as a person with a handicap will be forever a reminder that disability is part of humanity and in no way reduces a person's chance of fulfilling his or her dreams.

Mr. HANSEN. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

Mr. FALEOMAVAEGA. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

The SPEAKER pro tempore (Mr. GOODLING). The question is on the motion offered by the gentleman from Utah [Mr. HANSEN] that the House suspend the rules and pass the Senate joint resolution, Senate Joint Resolution 29.

The question was taken.

Mr. HANSEN. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 5 of rule I and the Chair's prior announcement, further proceedings on this motion will be postponed.

FACILITATING A LAND EXCHANGE WITHIN THE WENATCHEE NATIONAL FOREST IN CHELAN COUNTY, WA

Mr. HANSEN. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 822) to facilitate a land exchange involving private land within the exterior boundaries of Wenatchee National Forest in Chelan County, WA, as amended.

The Clerk read as follows:

H.R. 822

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. BOUNDARY ADJUSTMENT, WENATCHEE NATIONAL FOREST, WASHINGTON.

The boundary of the Wenatchee National Forest in Chelan County, Washington, is

hereby adjusted to exclude section 1 of Township 23 North, Range 19 East, Williamette Meridian.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Utah [Mr. HANSEN] and the gentleman from American Samoa [Mr. FALEOMAVAEGA] each will control 20 minutes.

The Chair recognizes the gentleman from Utah [Mr. HANSEN].

Mr. HANSEN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 822, as amended, is a bill introduced by my colleague, the gentleman from Washington [Mr. HASTINGS]. Mr. Hastings has worked hard to make this bill acceptable to the administration. The passage of this bill will benefit the people of Washington and the people of the United States.

H.R. 822 expedites a land exchange between a parcel of private property, currently within the boundaries of the Wenatchee National Forest, with the Bureau of Land Management. The Forest Service boundary needs to be removed for a land exchange to occur. The Forest Service does not have the authority to remove the boundary administratively, although they state the boundary is no longer needed. The Forest Service also agrees the old boundary does not contribute to the management of the Wenatchee National Forest. The BLM has expressed interest in acquiring the land parcel through exchange in order to consolidate their holdings which are adjacent to the private land. In order for this exchange to occur, the congressionally authorized Forest Service boundary surrounding this private property must be removed. This removal is required to allow an administrative exchange with the BLM.

Mr. Speaker, this is a noncontroversial measure that is supported by the administration, and I urge my colleagues to support H.R. 822.

Mr. Speaker, I reserve the balance of my time.

(Mr. FALEOMAVAEGA asked and was given permission to revise and extend his remarks.)

Mr. FALEOMAVAEGA. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I want to commend the good gentleman from the State of Washington [Mr. HASTINGS] for his sponsorship of this legislation.

Mr. Speaker, H.R. 822 directs that, if the Secretary of the Interior acquires by exchange certain private lands located within the boundaries of the Wenatchee National Forest, those lands will be administered by the Bureau of Land Management instead of the Forest Service. As originally drafted, the bill was opposed by the administration. There were discussions during the committee consideration of H.R. 822 on an alternative legislative approach that would statutorily remove the acquired lands from the national forest boundary, and the Com-

mittee on Resources adopted such language as an amendments. With this change we support the legislation.

Again I thank my good friend, the gentleman from Utah, for his management of this legislation and our good friend from Washington for his sponsorship of this bill.

Mr. Speaker, I reserve the balance of my time.

Mr. HANSEN. Mr. Speaker, I yield such time as he may consume to the gentleman from Washington [Mr. HASTINGS], the sponsor of this bill.

(Mr. HASTINGS of Washington asked and was given permission to revise and extend his remarks.)

Mr. HASTINGS of Washington. Mr. Speaker, this is a commonsense approach to a small problem, frankly, that deals with 640 acres in the Wenatchee National Forest, where an individual wants to exchange it to potentially put this into development; but he cannot exchange it unless these boundaries are removed because the other Federal agency involved, the Bureau of Land Management, would have input into that process. So this simply removes the boundary to allow negotiations to start between this individual and BLM. It does not mandate anything, it just allows the process to start.

I might add that I think this is important for Chelan County, because upwards of 75 percent of that county is in Federal control. An opportunity like this for potential development in the private sector, I think, is good for Chelan and I think good for that area.

Mr. Speaker, I thank the gentleman from Utah [Mr. HANSEN] for moving expeditiously on this.

Mr. FALEOMAVAEGA. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

Mr. HANSEN. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Utah [Mr. HANSEN] that the House suspend the rules and pass the bill, H.R. 822, as amended.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

REQUIRING THE EXCHANGE OF CERTAIN LANDS LOCATED IN HINSDALE, CO

Mr. HANSEN. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 951) to require the Secretary of the Interior to exchange certain lands located in Hinsdale, CO.

The Clerk read as follows:

H.R. 951

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. LARSON AND FRIENDS CREEK EXCHANGE.

In exchange for conveyance to the United States of an equal value of offered lands acceptable to the Secretary of the Interior
